Trimble Recon

The Trimble® Recon® rugged handheld computer has the capabilities and flexibility to help you do more in the field. Lightweight and extremely rugged, theTrimble Recon features an Intel XScale processor, a long-life 4000 mAh battery and a daylight-readable display. Optional Bluetooth and 802.11 wireless technologies allow cable-free access to peripheral devices and connection to local area networks and the Internet. Two user-accessible CompactFlash (CF) slots provide flexibility of additional storage and peripheral devices.

All units come standard with Windows Mobile® 6 and are RoHS compliant.

Standard accessories include:
° AC charger (international)
° Rechargeable PowerBoot Module
° Standard CF-Cap
° Package of two (2) screen protectors (ultra clear)
° Two stylus pens
° Hand strap
° USB data cable
